No.800, Chickpet,
Bangalore City, 24th Nov. 1949.

The Private Secretary to
His Highness the Maharaja of Mysore,
Palace Offices, Mysore.

Sir,

Sub:- Celebrating Opening Ceremony of the Maternity Home, at Visweswarapuram, Bangalore City.

I write to bring to your notice that during my last personal visit on the 6th July, 1949, at the Bangalore Palace, His Highness the Maharaja was kind enough to comply with my humble request to inaugurate the opening ceremony of the above Maternity Home, which was then under construction. Now, as the building has been completed in all respects, I request you kindly to put forth my request before His Highness the Maharaja to kindly accept my humble prayer to inaugurate the opening ceremony of the Hospital, on any one of the following auspicious days and oblige.

I was much anxious to put forth my above prayer personally with His Highness, but due to my sufferings from heart palpitation, I am unable to come personally. Hence I request you again to treat this as my personal representation and kindly to do the needful early.

AUSPICIOUS DAYS FOR OPENING CEREMONY.

Thursday the 8th December, 1949 between 4 p.m. and 5-30 p.m.

Friday the 9th December, 1949, between 4 p.m. and 6 p.m.

Thanking you for an early response.

Yours faithfully,

(Sd.) P. Krishniah Chetty.

Sl'CHR 249

No.1321-J1-49-50.

Office of the Deputy Commissioner,
Bangalore District (Urban) Civil Sth
Bangalore 1, dated 1st December 1949.

From

Sri N. Puttarangaswamy, B.Sc.,
Deputy Commissioner. Bangalore Dt. (Urban).

To

The Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.

Sir,

Sub: Tour Programme of His Highness the Maharaja during the 1st Week of January 1950. -- inclusion of outstanding requests for inclusion in the programme.

With reference to your letter No.3470-3474/C.B. dated 11-10-1949 regarding the above subject, I write to state that opening ceremony of the Maternity Home Building and the Veterinary Dispensary at Kaggalipura donated by Sri Iyyanna Setty may please be included in the Programme. Sri Iyyanna Setty, Merchant, Bangalore City has constructed a Maternity Home Buildin, at Kaggalipura, Bangalore South Taluk and is also now constructing a Veterinary Dispensary Building at the same place which is expected to be completed soon. The donor has requested that these dispensaries be graciously declared open by His Highness. The draft programme in respect of this function and arrangements to be made in this connection is given below:-

1) From Bangalore to Yadiyur. Village Panchayat will put a pendal and offer a garland.

2) Yadiyur to Banashankari. Offering of a garland on behalf of Muzrai institutions by the Sole Dharmadarsi, Sri B.S.Shankarappa Setty.

3) Banashankari to Vasanthpur (on the approach Road) -- Pendal. Offering a garland on behalf of Muzrai Institution by the Convenor (on the approach Road). Guard of Honour by the Scouts and Purna Kumbha Maryade.

4) Vasanthapur and Kaglipura. Opening Ceremony of the Maternity Home and Veterninary Hospital donated by Sri K.N.Iyyanna Setty..

In addition to the pendal at Yadiyur, Banashankari and Vasanthapur approach Road, arches will be put up at Sarakhi, Jaraganahally, Doddalkasandra, Vajarahally, Talaghattapur villages.

There are no other important functions at present for inclusion in the tour programme of His Highness.

CHIEF SECRETARY
5 DEC 1949
GOVT. OF MYSORE

Yours faithfully,

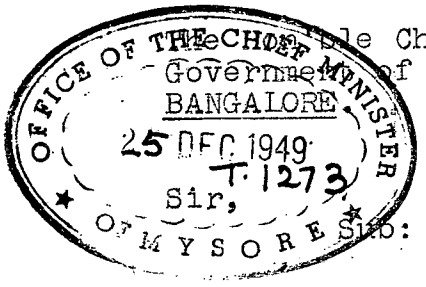
CLOTH MERCHANT

No. 800
CHICKPET, BANGALORE CITY
20th Decr: 49.



To
The Hon'ble Chief Minister,
Government of His Highness the Maharaja of Mysore,
BANGALORE.

Sir,

Sub: OPENING CEREMONY OF MATERNITY HOME AT VISVESHWARAPURAM, BY H.H.THE MAHARAJA.

I write to bring to your kind notice that, I had written a letter to the private Secretary to H.H.The Maharaja, in connection with the above subject on 24-11-1949, in reply to which I was informed that function can be celebrated during the 1st week of January, 1950, vide his letter dated 28-11-1949, bearing No.P.H.80/49-50 and I was also informed to contact you in this matter. Accordingly, you may remember well, that I had an interview with you on 1st of this month and on my requvision you were kind enough to assure that the needful can be done during the last week of January, 1950.

Chief Sec
Rec 14/12

Under the circumstances and as the private secretary to H.H.The Maharaja, is insiting upon your valuable decision, I request your goodself to be kind enough as to fix up an earliest convenient date to inagurate the function and oblige.

Lastly, I wish to mention here for your kind information that, owing to heart palpitation etc., I am in bad health and it is my humblest anxiety to witness the function early and hence, I earnestly request you again to kindly fulfill my prayer as early as possible.

Trust that you will kindly do the needful early and thanking you Sir, in anticipation of your early orders

Yours Faithfully,
P. Krishniah Setty

Dear Sir,

Subject:- VISIT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

I understand that His Highness the Maharaja of Mysore is visiting Bangalore on the 27th instant in connection with the inauguration of the Indian Republic. I also understand that there is a public function on the 28th morning.

As you are aware, the opening of the Factory of the Radio & Electricals Manufacturing Co. Ltd., by His Highness the Maharaja was contemplated some time ago. Due to various reasons this function has had to be postponed. In view of the fact that the work is commenced, I feel that this opportunity of the visit of His Highness should be taken and he be requested to declare the Factory officially open.

I shall be obliged if you will kindly arrange for fixing up the afternoon of Saturday the 28th instant, at any time convenient for His Highness, to graciously perform this function.

I shall arrange to get every thing ready, if I get definite intimation, if the date is convenient.

Yours sincerely,

M. Hayath

Opening of the "Pobathy Krishniah Setty Kamalakshamma Maternity Home" Bangalore - 28th January 1950.

---:0:---

Dharmaprakasa Sri Pobathy Krishniah Setty, the Mayor and Members of the Corporation, Ladies and Gentlemen,

It is with sincere pleasure that I am associating myself with you all this morning in a function which aims to further advance the providing of maternity facilities to women in Bangalore. You are ~~perhaps~~ no doubt aware that ~~the~~ Maternity and Child Welfare work is being organised and run on modern scientific lines by the Medical Department in collaboration with the Indian Red Cross Society. The part played by the Bangalore City Municipality now ~~converted into a~~ merged in the new Corporation in this matter has been really great. Owing to the great impetus given by the Municipality, four Maternity Homes came into existence in Bangalore City in recent years. I am referring to the Municipal Maternity Home at Manavarthpet, Chellaram Kishindas

Maternity Home, Kempegowda Road, Sri Appiah Naidu Maternity Home, Malleswaram (which has since been converted into a well equipped Maternity Hospital) and Sm. Unnamalai Ammal Maternity Home ~~in~~ at Guttahalli Extension. Owing to the expansion of Bangalore City by way of new extensions and to its growing importance, the population of the City has considerably increased in recent years. The existing institutions where provision has been made for rendering maternity aid are found to be inadequate to meet the present day demands. Attention has therefore been devoted to create increased facilities in this matter as a part of the general programme of work relating to the ~~ex~~te nsion of Maternity and Child Welfare schemes. We will do well to remember that in a ~~State~~ country like ours, the interest and the responsibilities of the people and of the Government in these matters are fundamentally identical. While the rich and the well-to-do ~~people~~ can be expected to take care of themselves, the care of the poor and the disabled

is a charge on the Government and the public. It is very encouraging to note that philanthropic ladies and gentlemen are coming forward with munificient donations towards the construction and establishment of Maternity Hospitals and Maternity Homes. The Government of Mysore have on their hand extensive schemes for the furtherance of maternity aid in Cities as well as in rural parts. This scheme includes

1. The appointment of a woman doctor in each Taluk
2. Provision of a midwife to each Hobli in the State,
3. Adding a ward of 6 beds for women in each Taluk Headquarter ~~place~~ and
4. Well equipped Maternity Hospitals in big Cities.

Active attention is being given to these schemes and I hope that the Maternity and Child Welfare work will be put on a firm and permanent basis when these activities ~~are concluded.~~ take full shape.

The Pobathi Krishniah Setty Kamalakshamma Maternity Home which will be opened now, has been constructed out of

the generous donation given by Dharmaprakasa Sri Popathi Krishniah Setty and the funds made available by the Corporation.

Ladies and gentlemen, I have now great pleasure in declaring the Pobathy Krishniah Setty Kamalakshamma Maternity Home open and in so doing I wish this institution a long and useful career.

Opening of the Victory After Care Colony, Bangalore.
28th January 1950.
---:0:---

The President and Members of the Anti-Tuberculosis Care and After Care Association, ladies and gentlemen,

It has given me immense pleasure to be amidst you all this morning and to associate myself with your efforts towards the amelioration of the sufferers from Tuberculosis. My pleasure has been all the more great because this is ~~perhaps~~ the first occasion after the inauguration of the Indian Republic on which I participate in a public function. It is well known that Tuberculosis has been the cause of the untimely death of many millions of lives in our country. The magnitude of the havoc caused by this dreadful disease and the need for undertaking and carrying on assiduously measures necessary to combat its spread is realised when it is remembered that about 5 lakhs of people die of Tuberculosis annually in India. In our own State, we

we are loosing every day about 8 people due to Tuberculosis. It is therefore our immediate concern to pool all the sources and to undertake intensive steps towards preventive and remedial measures to combat this disease and to save as many lives as possible. As most of you are aware, various measures have been undertaken by the Government of Mysore in this matter and anti-tuberculosis work has been one of the main activities of the Medical Department. It is customary on an occasion like this to take stock of the progress achieved and the work that still lies ahead.

The Princess Krishnajammanni Sanatorium at Mysore which was started in the year 1921 marked the beginning of anti-tuberculosis work in the Mysore State. This institution has rendered very valuable service for the past 28 years and has received special attention by Government in matters relating to its expansion, provision of additional staff and equipment from time to time. It is one of the best institutions of its

its kind in Southern India and has provision for about 250 beds. Additional buildings have recently been constructed on its premises and when these are put into use, additional accommodation for 200 more patients will have been provided. The next Tuberculosis Institution that came into existance was the one at Davanagere which is also rendering necessary aid to Tuberculosis patients. Out-patient Clinics were also started in Mysore and Bangalore and these are functioning as observation centres and feeder institutions to the Sanatoriums. The latest additions have been the Tuberculosis Hospital in the Civil Area and the Shantabai Devarao Shivaram Sanatorium in Bangalore City which are now situated and included in the limits of the Corporation of Bangalore. A Stat Tuberculosis Association has been functioning to deal with the problems relating to anti-tuberculosis work and these problem are receiving their earnest and continuous attention.

A Special Scheme for anti-tuberculosis measures was also drawn up in connection with the various development schemes and the lines of action was decided to be focused on

1. Undertaking Tuberculosis survey work in Mysore and Bangalore,

2. Providing Tuberculosis Clinics and wards to all the District Headquarter Hospitals and

3. Establishing Tuberculosis After-care Colonies and a well equipped and up-to-date Tuberculosis Sanatorium in Bangalore.

As a result of the sustained efforts made and intensified action taken, considerable progress has been achieved in these matters. The survey work which was undertaken in the Lashkar Mohalla in Mysore City has been completed and the report drawn up is under consideration of Government. It is proposed to undertake a similar survey in Bangalore also. A Tuberculosis Clinic was recently opened in Tumkur and similar Clinics are expected to commence work at Shimoga, Hassan and

and Mandya very shortly. The establishment of an up-to-date Sanatorium in Bangalore has already been an accomplished fact.

Another important item of work undertaken in connection with anti-tuberculosis measures has been the establishment of a Mass Radiography Unit in the Victoria Hospital, Bangalore. It is gratifying to note that the citizens of Bangalore are taking full advantage of this new institution. I am informed that nearly 20,000 people have already been radiographed, inclusive of workers employed in the various Mills and other Industrial Concerns. Proposals for the establishment of a Chest Unit in the Victoria Hospital and the introduction of the B.C.G. Vaccination Campaign are also under active consideration.

While all these measures have been in operation and have contributed towards some success in combating the spread of Tuberculosis and rendering relief to the sufferers, the problem of providing suitable after-care colonies has not been relegated. As far as back as 1946, the Government sanctioned a scheme for

for the establishment of a rehabilitation Colony in the premises of the Princess Krishnajammanni Sanatorium, Mysore. But for various reasons, this Colony remains yet to be constructed and I hope that more earnest efforts will be made to provide this much needed amenity very soon. It is needless for me to emphasise the fact that the care and after-care of the Tuberculosis patients and ~~his~~ their rehabilitation after recovery requires our earnest attention. It is a common observation from the statistics of all Sanatorium patients that a certain percentage of admissions is of patients who after having undergone treatment and discharged as fit return with a relapse or reactivity of the disease. One of the causes for this relapse is that such patients to earn their livelihood have to work hard and compete with normal and healthy people. They are not able to bear the strain and they break down in their health. So it is very necessary that we must have several after-care colonies.

It gives me great pleasure to see that the citizens of Bangalore have taken a lead in this matter and have contributed towards the construction of an after-care colony which will be declared open in a few minutes.

I have listened to-day with great interest to the report read by the President of the Tuberculosis Care and After-care

Association, Bangalore. The report has given us a picture of the co-ordinated efforts made by this Association in bringing the Victory After-care Colony into existance. I expect that the activity of this Colony and the useful service it renders, will go a long way to give home facilities to the ex-patients and help them to equipm themselves ~~to~~ for the day-to-day work by giving them sufficient training in such occupations or industries as will enable them to become useful citizens of the State. The President of the Association has told us how the need for such after-care colonies has been recognised in the West, particularly in the United Kingdom, and how the Papworth settlement and the Preston Hall Colony have been rendering very useful work in this direction.

It is my earnest hope that the Victory After-care Colony, Bangalore will attain the same standard of efficiency as that of the Papworth Colony and render continuous useful service to ex-patients whose care and attention are a charge on the citizens

citizens of this beautiful City.

Ladies and Gentlemen, I have now great pleasure in declaring the Victory After-care Colony open.

Members of the Tuberculosis Care and After-Care Association of Bangalore, Ladies and Gentlemen,

I thank you for the opportunity you have afforded to me this afternoon, of opening the Victory After-Care Colony. I have listened with considerable personal interest to the Address that you have read and the ground record of work that stands to your credit. Having done your utmost for over a decade in the direction of alleviating suffering caused by the most dreaded maladies known to mankind you have now launched a well-thought out scheme for rehabilitating ex-tuberculosis patients. I have read with interest various reports relating to the noble work that is being done by the Papworth Settlement and the Preston Hall in the United Kingdom, and I have often wondered why similar institutions have been conspicuously absent in such a good and charitably inclined country like ours. It is with no small satisfaction, therefore, that I accepted your invitation to open this After-Care Colony which is certain to place not merely those who have just been saved but thousands of others interested in them under a debt of gratitude to you for all time to come. To those Medical and Health Officers and other workers who have been so long associated with you in the noble service that you have been rendering, the new activity which you are now taking up must needs be a source of no small pride and satisfaction. If as a general rule, work is its own reward, the gratitude of those unfortunates who have been and are going to be attended to by you, will assuredly be a still more tangible reward for all your service. I should like to add my own tribute of praise to the erstwhile Municipal Corporation of Bangalore Civil Area, for all that it did in this great cause, to all those public-spirited ladies and gentlemen who co-operated with you in ~~serving~~ promoting that cause, and to you who have carried on your work in a true spirit of service.

I have no doubt that the new Corporation into which you have recently merged will do all it can to assist your Association. There is little need for me to emphasize the ~~need~~ necessity either for an institution like yours or for generous financial and other assistance to the service it renders. The exceptionally heavy toll taken by the insidious disease of

Tuberculosis among the working members of the community is well known and nothing short of the best organized and most sustained efforts on the part of the community as a whole is needed to ~~cry a half to~~ arrest its spread. And, while even such organization and effort would only save those who might otherwise fall victims to the ffell disease, there has yet been no known institution ~~wh~~ within our own State to prevent those who have once been saved from subsequent relapses due to poverty, overwork or indifferent attention. It is here that the need for a Colony such as this can be adequately realized.

You may not be unaware that quite a few members of my own household fell victims to this dire disease. It is, therefore, with a full heart that I say that the newer activity which you are about to take up comes not a day too soon. I sincerely trust that every right-thinking citizen of ~~the~~ land will extend to it his best contribution and see to it that all those who stand to benefit by the Colony ~~is~~ are actually benefited by it to the fullest possible extent.

I wish you god-speed in your great mission of service, and in a true prayerful spirit I now proceed to declare open the Victory After-Care Colony.

Dharmaprakasa Sri Pobathy Krishniah Setty, the Mayor and Members of the City of Bangalore Municipal Corporation, Ladies and Gentlemen,

It is with great pleasure that I am associating myself with you, this morning, in a function which aims at further advancing the maternity facilities to women in Bangalore. You are doubtless aware that Maternity and Child Welfare work is being organized and run on modern Scientific lines by the Medical Department in collaboration with the Indian Red Cross Society. The part played in this matter by the Bangalore City Municipality, recently raised to the full status of a Corporation, has been indeed creditable. Some Maternity Homes have no doubt come into existence in the City within the recent past, but on account of the enormous growth of the population and the all-round expansion of the City limits, the existing institutions have not been able adequately to meet the demand and increased facilities have become an urgent necessity. While the Government and the Corporation will continue to provide such facilities in future, financial limitations must needs restrict their programmes. It is thus imperative that members of the public, who can afford to serve their less fortunate countrymen, come forward to assist in the provision of those facilities to the fullest necessary extent. It is a matter for no small satisfaction, therefore, that philanthropic citizens are making munificent donations for the establishment of Maternity Hospitals and Homes, the latest of them being Dharmaprakasa Sri Pobathy Krishniah Setty.

I see from the Address which Sri Krishniah Setty has just now read that he was a good friend and follower of that great philanthropist of your City whose name is now a by-word in every house, viz., the late Dharmaprakasa, Dharmatma, Rao Bahadur S.Sajjan Rao. Having lived and moved close with him, it was only to be expected that Sri Krishniah Setty also should improve upon his own past charities and offer a more munificent donation for a purpose so sacred as the present, remembering that great co-operative principle that "Each can do but little, but if each <u>will</u> do his little, then <u>all</u> will be done." Our well-placed merchants and other affluent citizens can do nothing better with their wealth than sharing it with those who need the benefits it can confer. If all expectant mothers in Bangalore have not been able to command the services of Maternity Homes

till now, may I hope that hereafter at least, more and more of such Homes will spring up and it will be possible for every such mother to command the needed service without having to walk much of a distance or find herself in too congested a ward.

I sincerely congratulate the City of Bangalore Municipal Corporation on enlisting the munificence of Sri Krishniah Setty. And I congratulate Sri Krishniah Setty himself upon the very wise decision he has taken to donate this Home. I have every hope that it will receive many expectant mothers with loving care and send them back with strong, healthy and lucky infants in arms.

The new Indian Republic has been born at a time when, more than ever in the past, Humanity is looking up to our Motherland as the possible deliverer of the Message of ~~Universal~~ Love which alone can sustain the world and all that is best and noble in it. At a time like this it is up to every well-meaning citizen of the land to utilize his resources in the direction of alleviating suffering, promoting health, and bringing the rich and poor closer together so that all may, as children of the same soil, unite in the common task of helping our Republic shine forth as the one unerring spiritual Leader of the World.

I have now great pleasure in declaring open the Pobathy Krishnial Setty Kamalakshamma Maternity Home.
